Business Women OK Recreation Step

Approval of a paid director of recreation for the City of Birmingham was voted unanimously Thursday night by members of the Business Women's Club following a report on the Community Institute by Gladys Helms and Esther Mintz. The club, which has always contributed to the summer recreation program, feels that the time has arrived when the program should be tax-supported and be the responsibility of the governing bodies of the district. A year round program was also advocated by the group.

The knitting group of the club has completed one afghan and has been sent to the Percy Jones Hospital for present war wounded at Battle Creek. The next meeting of the group will be held Jan. 19 at the home of Mrs. Hazel Lawler, president of the club.
