"Truth" will be the subject of the League-Sermon in all Christian Science Churches throughout the world on Sunday, January 24.
The Golden Text (Psalm 58:11) is: "I will walk in the truth: unto my heart to find the way."
Among the Bible citations in this paper are: "I will walk in the truth: unto my heart to find the way." approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."
Correlative passages to be read by the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 143): "Divine Mind rightly demands man's entire obedience, faith, love, and strength. No reservation is made for any lesser loyalty. Obedience! Truth gives man power and strength. Submission to error perpetuates loss of power."

Interest Grows Great In School of Religion

Interest in the Birmingham School of Religion is gaining in momentum each day and it is expected that 500 or more will enroll on or before the opening night, Feb. 1, at the First Baptist Church, Willis and Bates streets.

St. James Parish Burns Mortgages
The annual parish meeting of St. James parish from its beginning in 1840, and the history of the church reads much like that of the city of Birmingham, as many of the early inhabitants were active in identifying with St. James. It was pointed out that many of the city's organizations had their beginning in the small building owned by the church and which stood for so many years at the corner of Bates street and West Maple. The Community House was started there, as well as the Y. M. C. A. Sunday Forum, the Village Players and many others.

The following men were elected to the vestry of St. James at the annual meeting: Bruce B. Var, Dennis, Frank R. Pierce, Donald T. Stanton, Edwin H. Struik and James W. Bampton.
