

Plymouth Quintet Noses Out Maples 34-32 in Rough Tilt

By DON McLEESE
Coming from behind in the fourth quarter, a hard-playing Plymouth quintet edged out the Birmingham Maples 34-32 Tuesday evening at Baldwin High School.

The game started out with each team feeling out the other's weaknesses and cautiously keeping control of the ball. Birmingham, however, outplayed the Rocks a trial and held a 7-0 lead at the end of the first quarter.

The final stanza spelled the Maples' downfall when the Plymouth team with the aid of some spectacular shots forged into the lead and stalled in the closing seconds to gain a 23-22 decision.

BALDWIN HIGHLIGHTS

By ANN NONIMOUS

Hi, Kids: "After the ball is over" the fun has just begun, for what is more fun than laughing over a New Year's Eve party, which we have just spent four exhausting but unforgettable hours attending.

Some wonderful Supper Harp, Carl Zink, Martina McKinnley, Tom Spiegel, Jackie Lang, Bob Luke, Margie Phelan, Andy Bartingame, and all the other young fry over survived the marathon but she realizes they don't have the buzz under their eyes, fallen arches, and crippled back with which she was left suffering.

After tripping the light fantastic, did you retire along with the champagne, with a deep sigh of relief that at last you could snuggle into a warm bed and stay there as long as you desire?

Baldwin 5, Royal Oak Tangle Next Tuesday

By HAROLD KELLEY

With both teams having fine records, the Baldwin and Royal Oak will meet in what should be a fast and exciting basketball game Tuesday night at eight o'clock.

The Maples' boost a fine season up to date, edging out Ypsilanti, trouncing Walled Lake, and outing Lincoln Park, and holding a favored Alumni team to 28 points for their own 20 for their first defeat of the current season.

Although the Oaks have not played as many games, they have experienced two victories in two games. Up to date they have trounced Berkeley 41-35, and Mt. Clemens 46-35.

Team Scores 118; Opponents Get 89
By DON McLEESE
In winning three of its first four games, the Baldwin hardwood crew has racked up 118 points, while its opponents totter to 89 points.

One reason for this average is that the Baldwin crew has earned a game in which they take 365 days to complete a year, or 365 1/2 days, or more, to have had a day's rest, or three days out of the year, or more.

Sports Showup

By RAY DENNIS

At last the year of 1942 has passed. It has been a very good year from the athletic angle for Birmingham High School.

One of the most improved players on the Birmingham basketball team this year is Fred Zoellin. He is a very steady player and has an uncanny ability to make free throws, as he has only missed one attempt this season.

Next Tuesday evening the Maples will meet the strong Royal Oak team on the local court. Every Birmingham fan should attend this game as it will be an exciting one.

DISCUSSION

(Continued from Page 2)

When the Chrysler strike was settled, the Chrysler workers were the world that employees return to work after five weeks for four cents per hour, and a 10-cent fine print you were permitted to find the contract which had at least 30 labor striking clauses.

By the way, John, at present organized labor has kept the books on the union record for production records and top all quotas for the year. So let's buy some more of the same.

If our readers will bear with us, "Uncle Joe" and I will continue our discussion of labor relations. With respect to "Uncle Joe," first consideration—the inevitability of "if-ifs"—I fail to see that it is to "Uncle Joe" that we should look for leadership of labor.
