

Car Jumps Ditch, Hits Tree

Driving north on Southfield Friday at 6:20 p.m., R. L. Shannon, of 394 Bryn Mawr, lost control of his car in such a manner that it jumped a ditch, hitting a tree. Mr. Shannon was taken home and police arrived on the scene, suffering, it was said, a bump on the head.

Firemen Answer Three Calls for Aid

Firemen answered three fire calls during the past week, two of them Tuesday night. At 11:06 p. m., Tuesday, the men went to the F. S. Hanger home, 779 Randall court, where an electric hot water heater went bad and a fuse panel caught fire, igniting the wood nearby. Firemen estimated the loss at \$25. At the Joseph Katza home, 1892 Ruffner, July 9, fat in a french fryer caught fire and damaged the walls of the kitchen. In both cases, firemen used their carbon dioxide extinguisher. This liquid, kept under pressure, expands so greatly when it is sprayed out that it freezes into "snow" which chills out of flames, and is applied for oil and electric fires. On Tuesday night, firemen investigated at the Dr. H. W. Mitchell home, 1128 West Maple, and found an overheated radiator.

Franklin School District Discusses Consolidation Idea

Franklin school district held its annual meeting Monday night, re-elected L. J. Roberts as moderator for three years, and discussed briefly the consolidation issue now being talked in Southfield Township. A movement is under way to unite all the districts in the township so that a high school may be established, but Franklin, which has sent high school students to Birmingham, has not looked with much favor on the plan, but would have little choice in the matter should a majority of the township school electors favor the idea. There has been some talk in the Franklin district of joining some of the other districts to avoid the larger consolidation.

YMCA CAMP BULLETIN

By LYS LYND
HALE, Mich.—Birch rails fashioned from trees found in the woods surrounding Mahanogoscose, Oakland County V. M. C. A. Camp, add the final touch to the large new riding ring, close to the stables near the entrance to camp.

Several Birmingham boys will be among those riding, Jim Berry, Doug Gordon, Jim Gordon, Carl Kallwasser, Irvin Outhbert, Kenneth Denham, Bill Eddy, Bill Mansland, Dick Hoyt, George Townsend, and Don Wilson.

Among the senior boys who traveled to Oscoda in the camp truck recently for an overnight hike were Gardner P. Allen, Jerry Landfar, Herb Strasser, James Hogan, Jack Wingerden, Bob Fowler, and Kenneth Denham, all from Birmingham. Supper was cooked on the shores of Lake Huron, and they bedded down in the sand for the night.

Succotash was a food in use by the Indians when America was discovered. The Indian name was Squakuttahash.

our districts it is quite probable one will be able to refund a great deal of the combined debt at a lower rate of interest than that which now prevails and we would have twenty years to retire this debt. Any further obligations we might assume for further construction may be spread over a five year period. The present debt is approximately five per cent of the appraised valuation, only one-half that permitted by law.
