

### Ask Shooting Site For Youth of City

A rifle range may be permitted on the City's 66-acre tract near the disposal plant, it appeared Monday night when H. H. Corson, acting City manager, laid the matter before the Commission.

Nussell McBride and Corson are greatly interested in the sport and may sponsor a group of youths who are interested in shooting, Corson said. The Gun Club range on the Robert Porritt property in Troy Township is not suitable, he added.

Shooting is prohibited within the City limits except with the consent of the chief of police. Corson will study the ordinance further and report back.

Limes spoil easily. Do not buy more than are needed immediately. Store in a cool, dry place or in a covered container in the refrigerator. If limes or lemons are run under hot water just before cutting, the juice is more easily extracted.

### Richard Van Dusen Honored at Deerfield

Richard Van Dusen, son of Mrs. Bruce B. Van Dusen and the late Mr. Van Dusen, has received top honors in his graduating class at Deerfield Academy, well-known prep school in Massachusetts.

He received the Deerfield Cup annually presented to the boy who in classroom, on campus and in athletics "best exemplifies the ideals of Deerfield."

He is home now, but will enter Princeton University. He is in the Navy V-12 category.

An old lady had a parrot that was always swearing. She could stand this every day but Sunday, so she covered the cage every Sunday.

One Monday the woman saw her preacher coming to call, so she quickly covered the cage. As the preacher entered the parrot said: "This has been a damned short week!"

Wantads will sell it!

### Cub Pack 8 To Hold Picnic

Birmingham's Cub Pack 8 will meet at Springdale Park on Friday afternoon June 11 from 4 o'clock until 8 o'clock for their annual picnic. Baseball and sports events will be the order of the day and then, of course, lots of food.

Mothers and fathers are expected to attend the picnic.

Under the capable leadership of Cub Master Paul Carter and his supporting Den Mothers, Pack 8 has enjoyed a very encouraging and successful year, during which period there have been many boys who have made regular advancement in their ranks of Wolf, Bear and Lion. Several boys will be ready to join the regular Scout troops this fall. There are eight Dens totaling 64 boys now registered in Cub Pack 8 sponsored by Adams School P.T.A.

**Mr. Wilson**

to Dr. R. D. Lindquist, headmaster. Graduated from the University of Illinois in 1927. Mr. Wilson stayed on there as instructor in physical education. He also assisted in the coaching of football and basketball until 1936 when he was appointed director of intercollegiate athletics covering all varsity sports as well as the intramural programs.

An ardent supporter of athletics for all, Mr. Wilson speaks enthusiastically about the physical fitness programs being installed in secondary schools throughout the country. "High school boys are conditioning themselves with enthusiasm for future service in the military forces. Many boys who formerly expressed no interest in athletics have become shining examples of what a purposeful program of physical fitness can accomplish."

Wilson played end on the University of Illinois football team with Red Grange in 1924, '25, and '26. He will give his undivided time to Cranbrook's wartime physical fitness program, joining the staff of Cranbrook effective with the fall term. Since resigning at the University of Illinois in 1941, his entire time has been devoted to the summer camp for boys, located in Wyoming.
