

Junior Farm Army Can Get Insurance

High school and college boys and girls who enroll as Victory Farm Volunteers can get accident insurance policies which will pay medical expenses up to \$250. This policy, costing \$4, which applies to the volunteers and their supervisors, has been arranged through the Insurance Division of the Bureau of Agricultural Economics in cooperation with the Health and Accident Underwriters Conference, a group of insurance companies.

Lathrup Townsite News

Larry C. Inman, son of Mr. and Mrs. Lawrence Inman, of Sandstone drive, was graduated from St. Mary's of Redford high school Sunday. Following Communion Mass at St. Mary's church, the class had breakfast at Dearborn Inn. Mr. and Mrs. Inman held open house Sunday afternoon and evening. More than 150 guests called throughout the day. Larry enlisted in the Army Air Force and will leave in about two weeks. Mr. and Mrs. Eugene Howe, of Flint, were among the guests.

Takes Summer Job

Dr. R. D. Linquist, headmaster of Cranbrook School, has been engaged to teach two afternoons each week this summer at the University of Michigan. He will conduct the school administration group of the Teacher Training Workshop. He will also conduct a course Monday and Thursday evenings at the University of Michigan Center in the Rackham Building, Detroit. This course will be in reading of current theory and practice in secondary education.

DR. R. D. LINQUIST, headmaster of Cranbrook School, has been engaged to teach two afternoons each week this summer at the University of Michigan.

AT CAMP ROBERTS, CALIF. Second Lt. Charles Holden Drury is with the headquarters of the 101st Field Artillery, East Garrison, Camp Roberts, N. Y.

NEED MECHANICS, BUILDERS Skilled workers and specialists are needed immediately by the Ordnance Engineers for assignment to newly activated units designed and equipped for the maintenance of port and dock facilities at outlying bases and for the rehabilitation of those that have been bombed or destroyed by evacuating enemy troops. Col. Paschen N. Strong, Detroit District Engineer, announced today.

These port construction and repair groups are out on training at Fort Screven, Ga., with the 2nd Engineers. They will be equipped with the latest training with the unit which they will serve. Ratings will be open as soon as they have demonstrated their abilities.

Earhart Again Heads Parkway Authority

Harry B. Earhart was re-elected chairman of the Board of Commissioners of the Huron-Clinton Metropolitan Authority, and all other officers were re-elected for the ensuing year at the annual meeting of the board held this week.

Oscar A. Kaufman, Wayne County representative on the Board, was re-elected vice chairman, and George W. Trendle continues as treasurer. Sidney D. Waldon, R. Bruce McPherson, John H. Nunnley, and G. Donald Kennebeck complete the seven-man commission. The Authority was created by an Act of the State Legislature in 1929 to plan, develop, and construct parks, parkways, and limited expressways in the five county metropolitan district in co-operation with other state and county agencies.

Better not stop to tie your shoestrings while crossing a watermelon patch, or to adjust your hat under a grape arbor.—Tardheel Proverb.

Plots Sub Attack

Rear Adm. Charles A. Lockwood, Jr., of Lamar, Mo., is the guiding brain behind the Pacific fleet's submarine force. He is in command in place of the late Rear Adm. R. H. English, killed in an air crash. (U. S. Navy Photo from NEA.)

You can be a "GOOD NEIGHBOR" on your party line, too! A GOOD-NEIGHBOR CREED A good party line neighbor thinks of it this way: "Somebody else on my line may be waiting to make a call, so I won't talk any longer than I have to. When the line is in use and I'm waiting my turn, I won't interrupt. I won't finish a call, I'll make sure I've hung up properly, because if one instrument is left off the hook it puts all the telephones on the line out of service."
