## Plenty of Paint Available Here For Spring Jobs

Giving the home a "face washing" for Clean-up Week is one step towards a cleaner environment, but administering a good painting is an even better step in the right direction.

To be able to protect the homes we have and preserve them for the duration. When painting is neglected, particularly in the case of exteriors where the weather has an opportunity to get into the side walls and roof, repairs are apt to run into expensive bills. Many small stems about the house and yard could be considerably improved by a coat of paint. After straightening up that fence, mending those screens, strengthening the sagging back step, or justifying the past year's summer furniture, a few hours spent with a paint brush and some good paint will produce astonishing results at little expense. After father has cleaned out the cellar what would be better than to whitewash the walls to give added light and to paint the floor to insure easier cleaning in the future?

Defend the home against the ravages of time now by not only "cleaning up" and "fixing up," but by "painting up."

Interior walls, especially in kitchens and in rooms with fireplace, are likely to become greasy or sooty film which should be thoroughly removed by cleaning before the walls are repainted. If this is not done, the new paint can not be expected to adhere properly, and if light tints are used, the soil may result in blotches in the new paint job.

Painted walls may be cleaned with any of the prepared paint cleaners or with strong soap and water, and should be wiped off with clear water and allowed to dry perfectly before the new paint is applied.

Much painting can be done yourself, and the stores have plenty of paint on hand.

Another thing we notice about middle age is that its idea of the younger set is anything up to forty.—Ohio State Journal.

**UNSAFE AT HOME**

*Cluttered stairs—just one step to the hospital*

## Anything Goes!

(U. S. Navy Photo From NEA)  
A Seabee—the Navy's jack-of-all-trades—arrives at a South Pacific base, ready to work and/or fight. He's one of the warriors who build advance bases under fire.

## GIRL SCOUTS

**ATTENTION GIRL SCOUTS!**  
The Penny Drive which was planned for Saturday, May 8, had to be postponed on account of rain. It will be held this coming Saturday, May 15. If it rains next Saturday, we hope that only pennies will fall on those tanks.

The regular monthly meeting of the Girl Scout Council was held on Tuesday, May 11, at the home of Mrs. Melvin J. Kates. The training course for new leaders is now going forward as projected. Five of the new leaders attended the first meeting held last Monday night at the Community House. Mr. George E. Finch, who is conducting this course, gave a very instructive talk. The second meeting was held Monday evening.

The training course for new Brownie leaders starts Thursday night, May 13, at the Community House. Quite a few of the new Brownie leaders will start training at this time.

A marked increase over the 210,000 Girl Scouts who went camping nationally last year is expected during the coming summer. With added emphasis on the health, safety and training needed for children in nature, more Girl Scout camps will be opened to meet the demand. In spite of the difficulties with transportation, rationing, and labor shortages, the Girl Scout organization considers it a patriotic duty to serve the country by instilling healthy, alert children through a sound camping program.

Mrs. A. W. White's Troop 2, Adams School, will have their Court-of-Awards on May 21 at 7:30 p. m. All parents of the scouts are invited to attend the ceremony.

The following girls will receive badges given at this time: Marilyn McLaren, Carolyn Harding, Nancy Chesna, Janet Steele, Judy Tucker, Elizabeth Hendrix, Marilyn Staley, Joan Schaefer, Mary Halladay, Helen Bradley, Marilyn Bogg, Martha Kraft, Betty Canary, Betty Larsen, Beverly English, Janet Campbell, Maria Loomis, Joyce Begg, Esther Marks, Virginia Dore, Hope Hayden, Jean Longden, Libba Dorris, Judy Thomas, Barbara Sullivan, and Joan Burnett.

## No, Not Gable

(U. S. Coast Guard Photo From NEA)  
His 36-foot patrol boat was sunk by a Jap cruiser and his five mates were machine gunned to death in the Solomon's, but Coast Guard Commander Robert J. Canavan reached safety after swimming 19 hours.

## Rubbish Pick-Up Schedule Listed

If you are a newcomer to the City, you will want to know the day on which the City trucks will pick up your rubbish.

Starting June 1, there will be one COLLECTION A MONTH, taking place on your last collection day of any month. The schedule then and during Clean-up Week which starts Monday is as follows:

- MONDAY—South of Maple, east of Woodward.
- TUESDAY—North of Maple, west of Woodward.
- WEDNESDAY—North of Maple, west of Woodward.
- THURSDAY—Maple to Lincoln, Woodward to Southfield.
- FRIDAY—South of Maple, west of Southfield; also, south of Lincoln and west of Woodward.
- SATURDAY—Business District.

## OH, MAY

The roofs are sleek and grey with the ditch is running over. The trees are green and beautiful as in my patch of clover. My daffodils are shining gold, and fresh sweet winds are swinging.

Beside a puddle at my door a small brown bird is singing.  
—Beatrice McDonald.

## Mine to the rescue!

Miss Dorene Forslund 3, of St. Louis, Mo., puts her Irish setter pup, Mike, who belongs to a soldier-neighbor. Mike heard the clangor of a street car bell, saw Dorene on the tracks, ran to her and pulled her to safety with his teeth. Good dog, Mike!

## Golden Rules

1. Share your food with the fighters protecting your home.
2. Don't hoard anything. Accept rationing cheerfully—help make it work.
3. Learn to use your ration book right! Use the 8 and 9 point stamps in settlement when possible, reserving the 1 and 2 point stamps for low-priority articles. Your storekeeper cannot give you "change" in blue stamps.
4. Use your point stamps wisely—and don't run short of stamps by buying "high point" foods where "low point" foods will do. Buy only what you need.
5. Plan your family's diet carefully—plan menus ahead for a week or a month—see that every one gets enough nourishment.
6. Eat fresh fruits and vegetables instead of canned, bottled and frozen. Use the more plentiful non-rationed foods whenever you can.
7. Lighten congestion in the stores—shorten the waiting line at the cash register, by shopping early in the day and early in the week.
8. Don't complain if your favorite food is all gone. Select your next choice and enjoy it. This is war.
9. Plant a Victory Garden—all you can care for.
10. Do all the home tanning possible, according to your family's needs.
