### Red Cross Notes

#### ANNUAL MEETING HERE

The annual meeting of the Oakland county chapter, American Red Cross, will be held June 10, at 7:30 in the Birmingham Community house. It was announced today.

Royal C. Agre, assistant manager of Midwestern Area office of the American Red Cross, will give the address of the evening.

This will be a combined annual meeting and victory meeting. Chapter directors, service chairman and all members of the Oakland county chapter are invited to attend. Also scheduled is the annual election of officers and the reading of service reports.

#### SAVED PENNIES

A new and different method of accumulating funds for a Red Cross contribution has been demonstrated at the Southern Oakland county office of the local Red Cross chapter.

Early this week a lady came into the Royal Oak branch office carrying what looked like a very heavy can of coffee. She said she had been asked by Ole Anderson of 487 West Alexander, Detroit, to make the delivery to the local chapter office of his gift to the Red Cross. The pound can turned out to be \$13.75 in pennies.

### YMCA Activities Reported to Board

The board of directors of the Y. M. C. A. met on Friday night in the Community House and the report of the treasurer, F. Raymond Woolfenden showed that the organization has received a total of \$37,142.42 of which \$3,539.50 was in the form of contributions.

This organization, in addition to other recreational activities in its regular program, provides \$300 to the Recreation Board for its summer program.

Y. C. Smith, finance chairman, reported that a committee will raise this amount in special gifts from any who would like to contribute.

The secretary, Robert D. Lynd, reported a summary of activities including 223 boys in nine groups which met in the various school buildings during the winter months; the games room in the Community House which had an expanded program in which more than 110 different boys participated; the farm labor activities, in which more than 200 high school boys and girls took more than 15,000 bushels of apples; and at the present, boys are being enlisted to work on farms, the skating supervision and Winter Sports Carnival on Quanton Lake; the Community School of Religion in which over 100 from six churches participated; the Cranbrook Conference of nearly 200 older boys and girls; the taking of the religious census, involving 2,700 children in the city; the work of the Community Council and the Recreation Board; the Halloween activities, the counseling with individual boys and the growth of the camp program was stressed as contributing to the volunteer work of Birmingham in holding the boys and girls steady in these changing days when delinquency is increasing rapidly in most areas.

### Need Equipment For Army Camps

Furnishing of recreational and service equipment for day rooms at army bases in this vicinity was discussed recently by the camp and hospital committee of the Oakland County Red Cross chapter.

Army officers and Red Cross field directors from Selridge Field, Romulus A. I., and the Detroit Area command and the Detroit Area attended the meeting.

The purpose of the meeting was to provide new service equipment and supplies which cannot be obtained through the Red Cross representatives from Oakland County have accepted an assignment to furnish camp tables and service halls.

Committee members attending were Mrs. Manley Davis, of Bloomfield Hills; Mrs. Howard A. Baker, Mrs. Basil Brown, Mrs. Walter D. Appel and Miss Ruth Ambler, executive secretary of the chapter.

Similar needs of other army posts and hospitals in the State were revealed this week by Henry S. Booth, chairman of Fort Custer Camp and Hospital, and delegate from the Oakland County chapter. Approximately 100 more company day rooms at Fort Custer. Other equipment required for posts includes a public address system for Michigan State College where one of the army college programs is being conducted. All kinds of athletic equipment could also be used at any of the posts and the musical instruments of Coast Guardsmen are in need of electric irons for pressing their uniforms. Band tables are needed at Perry I. Jones General Hospital, Battle Creek. Anyone interested in contributing to any of these projects may contact Mr. Booth of Bloomfield Hills.

#### Blood Project Successful

Despite the inclement weather last week the Blood Bank proved to be a great success. Clad in rain coats, galoshes, and with happy smiles, 107 donors kept their appointments, and only ten of these were rejected. Thomas M. Harney, of Vickers plant, rounded up more than 50 men. Don Scott, of college again sent 20 men. Our own Southern Oakland County Corps and our canteen girls, all worked hard. Mrs. L. J. Gohary again had charge of the secretarial work. Mrs. Earl Dohj and Mrs. Lawrence Schick were hostesses. Mrs. John Bell and Mrs. George L. Marsh, graduate nurses, and Mrs. Kosman and Mrs. John Goup, nurses aides, all helped tremendously. Several Latbrup women made salads and ginger breads for staff members' dinners. Our sincere thanks, good neighbors!

#### BLOOMFIELD HILLS SALVAGE

Effective immediately is the following change in salvage pick-up in the City and Township of Bloomfield:

All salvage depots are closed. Do not take your cans and scrap to your depot but continue to save them as before. Once every two months you will be notified by card of the date of pick-up and you are urged to bring your salvage in cartons beside the curb or road on the specified day, when a house to house collection will be made. The day will be one day before the Pontiac pick-up and salvage will be handled through their disposal. Do not save any more newspapers and magazines for salvage. If you have any heavy scrap call the salvage office, Birmingham 3800, and they will pick it up.

Please be patient about pick-up, as the organization is faced with a shortage of manpower and truck service and is doing all in its power to give service.

The City Treasury was \$50 richer this week, quite unexpectedly. On Sept. 4, 1940, John Leonard Creutzler, who was then a chauffeur at Lake Orion, was arrested for drunk driving and Justice Forbes S. Hascall fined him \$50, giving him a few days to raise the money.

This week a friend appeared with the \$50, and Justice Hascall, wondering, "How come another driver's license and found a black mark on his record on Lansing."
