GIRL SCOUTS

ATTENTION GIRL SCOUTS!

The Girl Scouts wish to thank the people of Birmingham for the splendid response to their annual drive held last Saturday. By this means the whole community joins in the effort to support the Girl Scouts through their moral and financial support. They are grateful to the parents and public for enabling them to continue with our Scout work in Birmingham.

Mrs. A. W. Watson reports that Mrs. Kasa's 3 sold \$431.50 worth of stamps and books at the Davidsen store booth. From now on, the Girl Scouts are to have charge of the booths at Wilson's Drug Store and Davidson's one day each month.

The Girl Scouts are cooperating during Cleanup Week by inspection of their families' properties.

To Work With Junior Red Cross

Mrs. E. F. Brumbaugh, chairman for the Girl Scout Council, has announced that the Birmingham Junior Red Cross for the program for the coming year. This program will include the study of afghans, cross word puzzle books, scrap books, memo pads, and holiday cards. The program is for service men in hospitals. Leaders should get definite instructions from their own leaders. The work to be accepted by the Red Cross. Mrs. Hyde will visit with the new members on what their girls can do. Telephone 2726.

Take Down Flag Daily, Says Dewey

The flag should NOT be flown at night unless there is a parade or some special event, Richard H. Dewey, Americanism chairman of the Birmingham American Legion Post, declared this week, suggesting that every one by the flag day should be to take it down at night.

"The most beautiful formal ceremony known to our organization has always felt it obligatory to seek out youth leaders for their parents and public for enabling them to continue with our Scout work in Birmingham."

"There are serious problems involving youth as a result of our nation's present war effort. It seems to be particularly affected by the lack of supervision and the indifference of the public. It is necessary that all of the resources of the community be brought together to cope with this trend. None are more important in this correlation than youth organizations such as the Girl Scouts."

Brownie Leadership

Commenting on these remarks, Mrs. E. F. Brumbaugh, commissioner of the Birmingham Girl Scout Council, said: "The Birmingham P.T.A. organization has always cooperated with the Girl Scouts and we are delighted that our efforts to work together to bring about the best of our youth people has received national recognition. The Adams and Pierce Brownie groups are going to start Brownie leadership on their program for the coming year. This is a very important step which we hope that other Parent-Teacher groups in Birmingham will do."

The results of the recent Leadership campaign were good. Mrs. Robert Montgomery reports that there are now 16 new leaders as a result of this drive. Six more leaders at the time of the meeting. The new groups are started next fall. If anyone knows of a person who would be a good leader and is interested, please send Mrs. Kruh the name and she will contact her.

The leaders of the Scout troops belonging to the Birmingham organization are doing splendid work for the benefit of children in need, and should have encouragement and help from the community. Mrs. Brumbaugh states, as an example, the special effort being made this year by the leaders of the Scout troops active during the summer months and to provide a special constructive occupation for girls of all ages when the schools close.
