Exhibitors Prepare For Antique Show At Franklin Friday

The Franklin Antique Show opening tomorrow at the old town hall in Franklin, is rapidly taking shape with many out-of-town exhibitors assembling their articles.

The show, being given by the Franklin Antique Fair Association, will be held Friday, Saturday, and Sunday from 11 o'clock in the morning to 9 p.m. at night.

The exhibitors for the show include Walter Smith, of Lake Orion; Mrs. Walter Bronson, of Detroit; Mrs. Mattie C. Murtaugh, of Detroit; Mrs. Mary Koehnke, of Detroit; Gordon Gaiser, of Detroit; Mrs. Harriett Miller, of Clarkston; Mrs. Charles Taylor, of Birmingham; Mrs. Polly Luers, of Detroit; and Mary Glass, of Franklin.

Children Will Be Enrolled in Spring Instead of Fall

Next week the grade schools of Birmingham are initiating a new system of enrolling children, sponsored by the National Parent-Teachers Association Council. Instead of enrolling children in September, they will be enrolled in the Spring. The purpose of this is to inform parents what is expected of their child upon entering school and giving them ample time to prepare their children.

Next week, beginning Tuesday, each school will hold a spring round-up to which mothers and their children who are entering that school in September are asked to attend. The principal of the school, the kindergarten teacher, the nurse, and a representative of the P.T.A. will preside.

Tuesday, all children who will enter Quanton School and their mothers are invited to the reception at 2 o'clock. On Wednesday, the Adams School will hold its reception beginning at the same time, on Thursday, Pierce School, and on Friday, Barnum.

17th Annual Parade of Pets Gets Under Way at 1:30

The sidewalk market of the spring festival being sponsored by the St. Elizabeth's Guild Friday and Saturday on the grounds of St. James Episcopal Church will be one of the most popular attractions offered. Mrs. William G. Fritz is in charge of the market.

Representative of the vegetable plants are cabbage, cauliflower, eggplant, and peppers. Also on offer are a judicious assortment of flowers. Flower plants will include: sweet alyssum, ageratum, aster, lobelia, salvia, verbena, snapdragon, petunia, geranium, and others.

Because the demand for flower and vegetable plants is heavier this year than before, Mrs. Moritz asks that those desiring widest selection, show early.

The festival will open at 10 o'clock in the morning and continue until 4 o'clock on Friday and Saturday. The general chairman is Mrs. John G. Hammond, and Mrs. George J. Dixon is in charge of the arrangements for decorating the grounds.

Kingswood Plans War Time Courses For Summer School

Kingswood School Craabrook will be open again this year for a special summer program from June 28 to Aug. 6. Plans are now being formulated to offer courses of study in keeping with war time needs. Stenography, typing, sewing and cooking will be offered, but the cooperation of interested girls and women is especially desired now to assist the committee and the summer director in establishing the most desired and appealing curriculum.

The summer session will be under the direction of Miss Frances Reese, who directed the summer institute last year. Before that she was engaged as a regular instructor in French at Kingswood but for the past 10 months has devoted her time to war activities which have given her a broad understanding of the country's needs and particularly qualified her for the direction of this summer's war time program.

Miss Reese was graduated from the radio instructor's school of the Army Air Forces Technical Training Command, held at the University of St. Louis. That was the training center for all instructors in mechanics and code to be sent to the Air Force Fields throughout the country. Subsequently she was assigned as an instructor to Traux Field, Madison, Wis., to teach radio to the men at that Air Force Field.

Many girls and young women of this neighborhood have expressed their desire to study and prepare themselves for the uncertainties of the future and to qualify for any service they may be called upon to render to assist the war effort.

Suggestions regarding desired courses are solicited and inquiries should be addressed to Miss Reese at the school. The preliminary registration date has been set for May 28.

Mr. Hugh W. Hitecock is chairman of the committee which is planning activities for the summer program. Other members are Mrs. Neil C. McMath, Henry S. Booth and Joseph F. Page.

Parade
The Pet Parade, a tradition of 17 years' standing, always draws crowds of children with a wide assortment of animals in tow. Spectators continually marvel at dogs and reptiles, cats and mice nonchalantly unware of each other, and the chickens and rabbits and other strange animals, expertly controlled by the sometimes very small moppets.

The parade will begin at 1:30 from the church grounds and will be led through the downtown streets by the high school band. Mrs. L. C. Minor will shepherd the lot and announces that prizes will be awarded for the prettiest, the funniest, and the most original.

The following women will act as judges: Mrs. John G. Graham, Mrs. George F. Hendrie, Mrs. Charles E. Buck, and Mrs. L. N. Pyle. The judges, costume in linen dusters, will join the fun by riding in an old jalopy of unknown vintage owned and driven by George Miller. After the parade, they will use it as a judges' stand in front of the high school. A hurdy-gurdy, loaned by Mrs. Leslie A. Kraus, will add the final gala note to the parade.

Mrs. Minor's school committee consists of only 11 yet for Pierce School and Barnum kindergarten; Janet Kegel for Adams School; Lanny Minor for Quanton School; and Jack Shenefeld for Bloomfield Village School. Contestants are also expected from Holy Name, Vaughan, Wing Lake, and Brookside Schools.

Some Entries
Some of the local youngsters already entered include: Johnnie and Peter Hubert, cat; beekeesers with some of their bees (reformed, or course); Susie and Stevie Seiffert as Mr. and Mrs. Frank Buck with their trained "cut"; Joanna Tait as a Red cross nurse guarding a pack of dogs and puppies; and Mrs. W. L. Bowers' black scottie and white sealhain, garbed in a Scottish costume.

Before and after the parade, there will be many other activities including the Fish Pond, operated by Mrs. Garland D. Tait; the Snack Bar, operated by Mrs. Henry Thiede, and a magic show given by Mrs. Paul E. Romoser. Other guides helping to make the fair a success are St. Mary's Guild, presenting a needlework booth, St. Catherine's Guild, serving ice cream, and the St. Ann's Guild, serving soft drinks.

Why butter won't melt in Africa

AS EVERYBODY KNOWS, butter will melt unless you keep it cool. And the African desert isn't cool.

Nevertheless, the Americans who are fighting there carry butter—and it doesn't melt.

It doesn't melt because it's fortified with a fat which has a high melting point. The result is a butter which can be packed in a can, like beans or beef, won't melt, and will keep indefinitely.

You might think our soldiers could get along without butter. They could. But—they don't have to! Butter is good for them—and Uncle Sam is seeing to it that American soldiers are the best-fed, best-equipped, best-cared-for soldiers in the world!

Of course, it takes money to do that. So much money that, to help pay the bill, every one of us must loan every dollar we can to Uncle Sam through War Bonds.

War Bonds are a fine investment. They pay you back \$4 for every \$3. Save part of every paycheck with U. S. War Bonds!
