KITCHEN FATS TO WORK

HOW TO RENDER FAT

3. Render in double boiler. 4. Strain through cloth. 5. Cool to room femperature.

Cover tightly and store in refrigerator. (May be mixed with other rendered fat or drippings which have been strained.)

Use of these fats is vital to the gove fat conservation program. If all cannot be used in the kitchen, the surplus and waste fat should be sold to a retail meat dealer as fats are a val-

uable source of glycerin used to manufacture ammunition. One pound furnishes enough glycerin to fire

in the war effort. Save it!

TYPICAL RECIPES USING SALVAGED KITCHEN FATS

BAKING POWDER BISCUITS
3 cups flour 3 to 6 tables
4½ testeocous halis-BANIANA 5 to ward of the product of
