Plymouth Has Lost 4 The Plymouth squad, coached by John Tomshack, has had tough going this year, failing to win a game in four attempts.

Several sophomores saw action in the closing minutes of the Ecores encounter and gave good account of themselves. Some of the tenth graders who played were Peter and Steve Shaffer, Dan Ellcar, Ed Davey and Bud Gasser.

Another boy who rose to the heights in the Ecores game was Harold Kelley. He was all over the field and his play helped to offset the absence of Frankie Watts who was taken from the crowd with an injured knee.
