

Cranbrook Wins Over Milford, 19-14
Cranbrook's football team won another game last Friday, ending out the heretofore undefeated Milford squad by the close score of 19-14. Coach Paul Berger's Cranbrook carried the ball for 56 yards in an unbroken line plunging drive in the final quarter to overcome the 14-13 lead which Milford had gained in a hard fought battle during the first 50 minutes. Chuck Welch, Cranbrook's hard driving fullback, carried the ball across the Milford goal line three times. Hank Whiting at the center position also played an outstanding game for the Cranbrook.

TRY MAP SYSTEM
The various history classes at Baldwin have started a map system for studying current events. The classes included are those in civics, world history, and United States history. A map will be purchased once a week, for which each person has been asked to pay five cents. These maps are very colorful and up-to-date. They are published Friday and sent out Monday, by News Map of the Week in Chicago. The map is accompanied by pictures and questions.

Scholastic Honor Roll Return Sought
At the request of many students, a Baldwin Student Congress committee is considering the renewal of the scholastic honor roll. It was pointed out by some students that not enough recognition is given for high scholarship in comparison to that given for extra-curricular activities. An honor roll would give these people the credit due.
