Franklin Cider Mill One of this town's most interesting spots is the old Cider Mill. So the other day Yours Truly decided to take a trip down here and find out all the whys and wherefores of the old place. I found that the Mill was built by the Van Every family in 1836. The Mill made flour, feed, and cider up to 15 years ago, but now only cider only. People came from miles around with ox teams, carts and other modes of transportation. Because of such booming business another mill was opened, this one operated by electricity. Also a distillery was opened. The overshoot built at the mill is one of the largest in the state. Set in a scenic spot, forest, valley, and stream. The Cider Mill makes a beautiful and picturesque sight. I know from experience that when the cold September breezes start to howl and Autumn rolls the trees of their leaves, one can't help but think of the Cider Mill and its product. The Mill has been a tradition.

Senior Youth Group The Senior Youth Group will meet on Sunday at Mrs. W. J. Gentry's house. The Group will decide on a new name for themselves at this time. Dr. Larkins, Donny Converse, and Juanita Pearson.

Autumn Festival at Kingswood Saturday Kingswood School, Cranbrook, will stage its annual Autumn Festival this Saturday evening in the school gymnasium, according to Miss Margaret Auger, Headmistress.

This year the festival is being managed by the junior class and arrangements were completed with the advice and cooperation of several faculty members including Mrs. Lasse Chapman, Mrs. Ellana Cochran, Loella Houser and Mr. Clifford West.

Sally Booth is general chairman, with Scotty Gladden, Dawn Bickers, Shirley Sylvester and Frances Tobias assisting on the entertainment committee.

The decorating committee is composed of Fair Newhall, Annalee Clark, Jane Hogan, Helen Hutchins and Jean Lockwood, who have been doing a lot of real painting themselves.

The stage for the festival acts will represent a board walk reminiscent of Coney Island and the back drop scenery is being finished in luminous paint.

Eighteen girls will take part in what many feature acts. The lower school will do a tap dance to the tune of "Sidewalk of New York" and the glee club will sing dressed in 19th century bathing suits.

Each grade at Kingswood will have its own booth offering refreshments and souvenirs. Parents and all boys attending Cranbrook School are invited to attend this annual spectacular fete.
