### New "V" Garden Chairmen Named

Charles S. Rust, newly-appointed chairman of the Birmingham Victory Garden Committee, announced today that he has appointed the new chairmen of all but one of his committees. The vacancy yet to be filled is that of technical director, a position which will require, a person of a particular background.

Rust said that Frank C. Heath was to be in charge of plowing, Elmer W. Haack will handle the municipal details, Mrs. Garrett W. Arnold is to be responsible for community projects, Mrs. C. W. Meyer will take care of registration, and John Gaffill is to handle publicity. More people are to be added to the committees as the need arises. Rust added:

Letters have already been written to individual property owners requesting the use of their vacant lots for the coming year. As soon as a sufficient number of replies are received and enough lots become available, the Committee will be ready to receive applications for gardening space.

### Child Authority Here Wednesday

"Have you met the other half of your child?" is the title of an important talk to be given the public next Wednesday evening, in room 101 at Baldwin high school, when Mrs. Dorothy Waldo Phillips, nationally known authority as a child counselor, will speak. She will be in Birmingham all that day, brought here by the Birmingham branch of the American Association of University Women, as a community service activity.

During the morning of that day she will speak to an assembly of students at Baldwin high school. At the noon luncheon and afternoon meeting of the A.A.U.W., Mrs. Phillips will address that organization.

Prior to the evening public meeting Mrs. Phillips will be the honor guest at a dinner sponsored by the guidance council for the Birmingham public schools. This group consists of Dr. D. B. Ireland, school superintendent; Ross Wagner, Baldwin principal; Miles Robinson, principal of Barrum junior high school; and teachers Mrs. E. E. Darling, Russell Chapman, Miss Muriel Brasso, and Malcolm Tyndall.

## A TRIBUTE TO AMERICAN WOMEN

We salute them for the grand job they are doing in releasing men-power for the war effort. As of December 7th, 1941, AOP employed 1,256,100 women... today they total over 22,000; almost 100% increase.

Occasionally you may find some of our advertised items short in quantity. Shipping delays due to heavy movement of vitally needed war supplies and other wartime conditions are frequently the cause.
