Dr. Red outlined the changes due to the war which have come to the adult, adolescent and early adolescent stages of life.

His observations about the security of the home, as an anchor for the younger generation, included the idea that, due to lack of help, parents are giving their children a false sense of security.

Dr. Red is Associate Professor of Group Work in the School of Public Affairs at Wayne University...

Caputo Chairman of All Salvage Here

Dominic S. Caputo, in charge of the Birmingham campaign to collect and salvage scrap metal...

Birmingham, to date, has done a great deal of work in responding to the federal government's needs for various salvaged materials.

His observations about the security of the home, as an anchor for the younger generation, included the idea that, due to lack of help, parents are giving their children a false sense of security.

THIS IS PART OF YOUR PAYCHECK

That gun's making things pretty hot for the Axis. It came from the pay check and pay envelopes of people like you. It was bought with the money you lent your Government in regular installments from your pay.

But hold on now—Maybe it's not your gun! Maybe you aren't setting aside at least 10 percent of your salary for War Bonds!

There are still some people who aren't them, many, maybe you're one of them. If you are one, we're sure it's not for want of patriotism, but because you haven't gotten around to it.
