SAVE!

WASTE

PAPER

BRIGADE!

es you see our boys carrying at the front lines-Those boxes you see our boys carrying at the front intes-food, medigine, and 'ammunistion—are rhade of paper board and corrugated paper. They have to take all the shocks and strains of shipment to the earth's far corners. The raw material for that heavy paper is dangerously scarce. Our troops need waste paper of all/sorts, But they

desperately need corrugated paper, paper board, nd brown paper bags and wrappings.

Never throw any waste paper away. Never burn

waste paper and especially save heavy paper.
