Nutrition Notes Tell Many New Ways For Cooking Vegetables

Serve carrots dressed up in a honey glaze. Cook carrots, then simmer in a honey mixture made with honey, fat, and grated orange rind.

Serve a green or yellow vegetable every day. Try broccoli scalloped or dressed up in cheese sauce. Another day, pan kale in a skillet with hot fat but no water.

Use milk as a base for vegetable chowder. Mix in cut up onions, carrots, turnips, potatoes, green pepper, celery, tomatoes — add leftover vegetables, too.
