Birmingham Community House

Birmingham, Michigan

Att: Paul Neal Averill, President

Gentlemen:

My interest in the welfare of children leads me to comment to you concerning the activities and ideals of the Birmingham Community House.

We all know that the home is the foundation of child care. In the same manner the Birmingham Community House is the foundation of excellent social life in Birmingham. I have witnessed repeatedly the value to children which has come from the use of the Community House. Your Y. M. C. A. program, Boy Scouts, Red Cross, Parent Teacher Association and many other activities have gravitated towards the Community House and have been greatly increased in efficiency thereby.

I wish that every community in the County had a similar Community House. It is worth the money many times over through its value to child welfare regardless of the many other benefits.

I wish you the best of success in the approaching 1944 Annual Birmingham Community House Roll Call.

Most sincerely yours,

Arthur E. Moore
