"Spirit" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, August 6.
The Golden Text (I Corinthians 2:12) is: "We have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God."
Among the Bible citations in this passage (John 4:24) is: "God is a Spirit, and they that worship him must worship him in spirit and in truth."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (324): "Spirit being God, there is but one Spirit, for there can be but one infinite and therefore one God."

Leadership Need Told Rotarians

Rotarians should assume a more active leadership in the world, and especially in post-war planning, declared District Governor Harvey Lawery, of Dearborn, on the occasion of his official visit to the Birmingham Rotary club. He spoke at the meeting held Monday noon at Embury Methodist church dining room where the local Rotarians are holding their sessions this summer. The guest speaker is superintendent of schools at Dearborn.

He urged Rotarians to live out the high principles of Rotary and to lend assistance whenever possible where leadership is needed right in their own communities.

The district governor stressed the special need for teaching children, and especially children of foreign lands, that second great commandment, "Love Thy Neighbor As Thyself."

The history of United States is filled with the records of men who placed service above self and who became great national leaders, the speaker declared.

In his closing remarks he urged the men not ao give up Rotary but to rather give more serious thought to the principles of Rotary and to interest more and more men in Rotary and its aims.

Prior to his address before the club at its noon meeting, Governor Lawrey held a conference with officers and committee chairmen, outlining ideas to aid in the application of Rotary's philosophy; he also listened to various reports on the activities being engaged in by the local Rotarians.
