"Christian Science" will be the sub-
ject of the League-Sermon in all Christian
Science Churches throughout the world
on Sunday, December 31st.
The Golden Text (11 Peter 1:31) is:
"The promises pertain not to old time but
to the will of man but only men of God
make as they were moved by the Holy
Ghost."
Among the Bible citizens in this man-

age (Dial, 443): "Thee, O Jesus! The
Lord our God is our Lord."
Corrective passages to be read from
the Christian Science textbook, "Science
and Health with Key to the Scriptures,"
by Mary Baker Eddy, are the follow-
ing (443): "With our Father, even
God, the whole family of man were
brethren and with one Mind and that
God, or good, the inheritance of man
would consist of Love and Truth, and
have unity of Principle and spiritual
power with consistent divine Science."

FORGOTTEN LIGHTS. Do you sometimes leave a light
burning in an unoccupied room? This is not serious
in normal times. But needless use of electricity wastes
coal—and today there is a critical shortage of coal in
many areas of the United States. Your Government
asks you to conserve electricity in home and store and
office. Save wherever you can . . . as much as you can.

WHO OWNS DETROIT EDISON? Approximately
37,000 shareholders of stock own The Detroit Edison
Company. Of this group about 15,000 are women,
13,000 are men, and 9,000 are insurance companies,
banks and other corporations. 1,300 of our 7,100
employees own stock in the Company.
