paratus. In fact, there is scarcely a vehicle used

In fact, there is scarcely a vehicle used by our armed forces that doesn't require some form of telephone equipment. War-hips, merchant ships, submarines, tanks, planes, landing hargest reconnaissance car-just to mention a few. — place a stagger-ing load on telephone manufactiring fa-cilities. As a result, many requests for telephone service cannot be including the long delays. There is a large and growing waiting list.
