WE HAVE FAITH

Study this picture . . . the faces. The soldier is the symbol of all those in our armed forces . . . men and women with faith that, should they die, they will not have died in vain. The mother . . . the symbol of the millions of men and women here at home . . . in factories . . . in every essential business and industry . . . who, having faith in Victory, work long hours, make sacrifices, buy War Bonds. The child . . . the symbol of America's future . . . those who believe with all their hearts that right must triumph. How does your faith stack up with theirs? Every War Bond you buy is your voice raised in determination . . . a voice that says: "I have faith in our government, I have faith in our fighting men, I have faith in VICTORY, and faith that Victory will bring a better world." But . . . money under mattresses . . . money hoarded instead of being put into War Bonds is unpatriotic. Keep faith with the men, women and children around the world who are dying for freedom's sake . . . to preserve for you The Four Freedoms. **WE HAVE FAITH!** Buy Bonds to the limit of your financial ability!
