At Sfire's AWREY BAKERY at Sfire's

We have joined the nationwide crusade to lower the cost of hearing with the NEW ZENITH Radionic Hearing Aid
\$4
READY TO WEAR
Complete with radionic tubes, crystal microphone, magnetic earphone, batteries, battery-saver circuit, rubber gaskets.
Demonstration now going on
As a franchised outlet appointed by Zenith, we join this great crusade to lower the cost of hearing. We are happy to bring you this sensational new hearing aid which places a precision instrument of highest quality within reach of all. You are invited to attend a demonstration—let your ears be the judge. You will not be pressed to buy. The demand is so great that Zenith's problem is not sales, but supply. We sell only to those who can be helped. No high pressure salesman will call on you. There are cases in which deficient hearing is caused by a progressive disease. Therefore, we recommend that you consult your otologist or ear doctor to make sure that your hearing deficiency is the type that can be benefited by the use of a hearing aid.
