Magnificent Possession

"HOME" There's magic in the word! And there is today the beginning of a rediscovery of what it means to us all — for these threatening times make us realize genuine values. Thus it is most natural that into the minds and hearts of all there creeps the deep conviction that our homes are of surpassing importance. The provision of things of beauty for the home has long been a division of our service in which we have taken keen pleasure: thus contributing to that magnificent possession known as home!
