Dental Clinic Being Held March 8 For Baldwin Students

The entire senior class of Baldwin High School will be seen marching dutifully into their respective dentists' offices for teeth examination on March 8. The Army is interested in this program, for many boys applying for induction have faulty teeth. The schools are conducting this survey to see if these faults can be corrected before they go into the service. It was decided that the girls also should participate. The program will consist of a general examination and bit-plate if necessary.
