Bloomfield Village In Salvage Campaign

The April salvage collection in Bloomfield Village is reported all arranged and will go forward with a lot of success. That is, if the citizens of the Village continue to give the campaign the same splendid co-operation they have given in the past. This is the word from Mrs. Henry G. Gassaway, general chairman, who today again expressed her own appreciation and that of all the workers in the campaign, for the fine way in which Villagers have aided in this war work.

Collection of tin cans is to be made April 1. "Early in the day," the call reads. "Put them out at the curb so the collectors can hurry through the entire Village."

Waste paper and clothing collections is scheduled for April 8 and will be made by the Good Will Industries. Villagers are asked by this organization to have their bundles or bags of paper and clothing in their open garages, or, if they are not going to be at home, put them out at the curb.
