THAT was a quick connection!

BUSY as the lines are today, most Long Distance calls do go through without delay.

That doesn't always mean that the wires aren't crowded. Most circuits to most places outside of Michigan—particularly to vital war areas—are loaded about to capacity.

The operator will let you know when other calls are waiting by asking you to "Please limit your call to five minutes."

By co-operating, you will help every one get faster, better service.

GIRL SCOUTS

By Margaret Barney

Saturday marketers are going to see a mile of pennies grow on the sidewalk on June 3, when the Girl Scouts hold their annual Penny Drive. Eager-eyed Girl Scouts will be present every step of the way to watch your pennies lengthen the line. Great sport! Come, and watch, and help!

Brownies of Troop 15 of Pierce School crowned their May Queen on Monday, May 22, with Mrs. O. L. Richards, their leader, and Mrs. S. E. Ross, assistant leader to oversee the ceremony. The Brownies were transformed into centers who did honor to their queen, Jane Roach, and her ladies in waiting, Janet Caryl and Sally Hemming. Special stunts were performed at her majesty's behest. Light refreshments were served and a Brownie Farewell sent the Brownies skipping merrily home.

At their meeting of Tuesday the 14th, the Girl Scouts of Troop 7 gave Mrs. C. H. A. Davison, their leader, a basket of flowers. They also gave to their mothers national book holders which they had made themselves. Seven girls became second class scouts.

Troop 20 went on a bird-walk on May 13 with Mrs. deBruyn as guide.

The Intermediate Leaders Association will meet on May 25 at the Community House, as usual.

The Girl Scout Garden Group will meet at Baldwin Library at 4:16 Friday, May 26.
