

What Kind of Man (or Woman) Would Take a Job Like This?

HERE is a tough job. With long hours. No pay. And little thanks.

Yet many a man and many a woman is gladly giving up spare time to take it on.

This person is a Victory Volunteer. Starting June 12 he'll knock on your door or stop at your desk or your machine, swallow once or twice, and ask you to buy extra Bonds during this Fifth War Loan.

Why does he take the time to do it? Certainly it would be more pleasant to be sitting at home, smoking a pipe, reading a paper, or tending the garden.

But this Victory Volunteer is burning inside. He feels the crisis. He knows that now is the high point. Now is the agony. Now is the last turn of the screw. Now is the time to buy the Bonds you can't afford. The count is 3 balls and 2 strikes. The time is now. Now, NOW!

So when the Victory Volunteer comes to you, welcome him. And buy *double* the amount of Bonds you bought last time! We've got to!

Will you be a Victory Volunteer?

Many patriotic men and women have already signed up to act as Victory Volunteers, but more are needed. As a Victory Volunteer, you will serve your country in one of the most important missions ever given to civilians in wartime. Spend an hour or two a day in your own neighborhood. The task is important—the rewards great, for you will have the satisfaction of helping America toward Victory.

For information phone 11 between 9:00 a. m. and 5:00 p. m. No obligation, of course.
