May We Knock at Your Door Again?

We've missed calling there lately. The good service in Birmingham that we were so proud of couldn't be carried on when laundry work became a war casualty.

We do hope you missed us. We even dare hope that by now you appreciate us even more than you did when we came so faithfully.

Because now—thanks be—conditions have improved to the point where once again we may make our pick-up and delivery service to our patrons in Birmingham.
