

Cranbrook Plays Cleveland School

The Cranbrook school football team, which plays University School of Cleveland, Ohio, this Saturday afternoon, will leave Friday evening by boat to Cleveland, returning by the same route Saturday night. A limited number of reservations have been made for fans who will accompany the team.

The University School and Cranbrook have played many games before as members of the Interstate Preparatory School League which was abandoned for the duration of the war. The Cleveland school is said to have an excellent team ready to renew the competition while Cranbrook will be equally anxious to defeat these old rivals.

Last week the Cranbrook lost to Hazel Park high school by a score of 7-0 after a hard fought game. The only score came after a bad pass, the Hazel Park boys falling on the ball behind the Cranbrook goal line.
