### Miss Brelsford Married At Simple Home Wedding

At a simple wedding in the home of her parents, Elizabeth Brelsford, daughter of Mr. and Mrs. Harry E. Brelsford, of Pilgrim road, spoke her marriage vows to Ensign Robert Redecker, son of Mr. and Mrs. Guy H. Redecker, of Geneva, Ohio, Thursday afternoon at 4 o'clock. The Rev. A. F. Runkel read the service.

Elizabeth chose a gown of satin and tulle, with a tight fitted satin bodice fashioned with a sweetheart neckline and short draped sleeves. The tight waist fitted to a full bouffant skirt of tulle. Her tiny lace veil, which was worn by her sister, Mrs. Roland Langerman, in her wedding, held a fingertip veil of matching tulle in place. The bride bouquet was of white baby chrysanthemums, carnations and ribbons streamers.

Mrs. Roland Langerman was her sister's only attendant and wore a pink gown styled with sweetheart neckline, short puffed sleeves and a full skirt. She carried an arm bouquet of white daisy mums.

Frederick Boynton, of Adrian, was best man and L. Stanley Rosso, of Ft. Sheridan, Ill., played the wedding march.

For her daughter's wedding Mrs. Brelsford chose a soldier blue steeled dress with a floral hat and a corsage of pink carnations. Mrs. Redecker was gowned in a black steeled length dress with black accessories and she wore pink carnations also.

A reception and dinner party for the 30 wedding guests was held at Devon Gables following the ceremony.

When Ensign and Mrs. Redecker left for their honeymoon, Mrs. Redecker was wearing a cherry red dress suit and brown accessories. Ensign Redecker is a member of the Maritime service.

Soups and fruit cocktails get credit for hastening food along the digestive tract, which makes such meal starters a good base for heavier main dishes.

Be sure to keep warm!

"Be sure to keep warm!" . . . a thoughtful command formerly saved for the children is now excellent advice for every member of the household during these times of rationed heat.

For the sake of your health and comfort, dress warmly; stay out of drafts. For the sake of your fuel oil supply — to make it last throughout the cold months — keep your thermostat set no higher than 65° during the day; 50° at night.

Authorities agree that real comfort under these conditions depends only upon proper dress. And we are happy to hear many folks say that they have experienced fewer colds and ensuing illnesses since lower temperatures have become established in their homes.

Gulf takes a genuine interest in the well-being of its home fuel-oil customers, and is continuing to furnish high quality oil and to give the best delivery service possible under wartime conditions. You, too, may find definite advantages in placing your order for fuel oil with Gulf.

### Thanksgiving finds U.S. truly Blessed

Most thankful indeed will be the mothers and fathers of the sons who will be able to join them in the intimacy of the family circle on Thanksgiving Day this year. But there will be many homes in which service flags hang, where vacant chairs will be mute evidence of the fact that sacrifices must continue—sacrifices that are making it possible for us to give thanks now that our cities have not been bombed, that our people have suffered no starvation, that our children are safe. Yes, there is much for which we can give thanks, this year, and especially to those who have given their lives that we may continue free.
