chasing clouds across the sky...

Dreaming? Who doesn't; after all, dreams are of such stuff as bespeak on to a finer life; a finer home;—soon, hope all men of goodwill, a finer world.

Ours is the task (and a pleasant one, too) of helping folks who have been "chasing clouds across the sky" and dreaming of a finer home! The things-for-the-home division of our Shop brings us particular satisfaction because it's grand to be able to play a part in helping capture those dreams; providing the kind of home appearances which make them realities.
