Inspiring Talk Is Delivered By Mrs. Clarence Davock

Mrs. Clarence Davock, of Detroit, brought an impressive message to Birmingham members of the Women's National Farm and Garden association Monday in the Community House when she discussed what is being done by the American Red Cross Arts and Skills corps. Being associate chairman of this rehabilitation group, Mrs. Davock devotes much time to the work and to lecturing to interested clubs. "But we lack room," she said, "to extend our work as much as desired."

JUNIOR RED CROSS Though enrollment of Junior Red Cross in Oakland county schools is only a few weeks away, a quantity of material has been made for shipment to hospitals overseas to brighten Christmas season for our servicemen and to add to gifts boxes for children in foreign lands. This work is under the supervision of Mrs. E. A. Armstrong, chairman, Junior Red Cross, Oakland county. Without leaving their class rooms school children design and make gifts.

Mrs. William McCullough announced Mrs. H. D. Backus as head of the War Bond sale for the November meeting and also will announce detailed plans for a gigantic Christmas program for her war service committee of the Garden club.

May We Knock at Your Door Again?

We've missed calling there lately. The good service in Birmingham that we were so proud of couldn't be carried on when laundry work became a war casualty.

We do hope you missed us. We even dare hope that by now you appreciate us even more than you did when we came so faithfully.

Because now—thanks—because conditions have improved to the point where once again we may make our pick-up and delivery service to our patrons in Birmingham.
