

Fire Inspector Lee Carroll Lists Do's And Don'ts in Fire Prevention; He Urges That Everyone Help Rout Fire Hazards

Fire Inspector Lee Carroll today called upon all the citizens of Birmingham to make fire prevention a year-around affair, and to remember the lessons taught during Fire Prevention Week, Oct. 8-14.

Calling fire fighting a science and fire prevention a matter of common sense, Carroll pointed to the ascending curve of fire losses in the past few years, and urged home owners, factory workers, industrial leaders and business men to join together to route out the fire hazards.

Do's and Don'ts

Here is the list of do's and don'ts compiled by the fire inspector:

Do clean and repair defective and dirty heating plants, including the flues and the chimney.

Do replace flammable wood shingles with fire-resistant asphalt shingles or some similar material like asbestos, slate or tile.

Do repair frayed electric cords don't run them under rugs and always disconnect appliances after using them.

Don't be careless with matches

GOOD WISHES FROM A FRIEND

Dear Mr. Curley:

It is with a warm heart that I wish you and your family the best of health and happiness. May all your wishes come true and may you always find joy in the simple things of life.

Sincerely,

Thomas P. Curley

"... We have always appreciated the luxury, economy and courtesy which the patrons of your organization receive.

"In these days of high prices, poor quality and unsatisfactory service in almost everything we spend our money and for our pleasure to realize that one can still have the same measure of services, economy and quality in our electric service as we enjoyed before the war.

"Good wishes for your continued and well-earned success."

(signed) Thomas P. Curley

THANK YOU, Mr. Curley. We value your letter of friendly appreciation. It is stimulating to all of our people and is particularly appreciated by our Customers Service men. Even during wartime, The Detroit Edison Company has tried to maintain the high standards of service our customers expect and deserve. We know, however, that we are far from perfect, and we hope you will be equally prompt in telling us when we fail. That would be just as stimulating and even more helpful. Here is the record of Edison services in wartime:

LAMP EXCHANGES. Residence customers have always been able to exchange burned-out lamp bulbs for new bulbs without added charge. This service is now operating as usual.

APPLIANCE REPAIRS. Despite the delay and difficulty in getting parts, our Appliance Repair Division has kept in service tens of thousands of irons, toasters, percolators, clocks, etc., at only a nominal charge for repairs.

IRON CORD EXCHANGES. Defective iron cords (badly frayed or worn) are exchanged without charge for new cords of standard length. During the war we have rebuilt thousands of cords from salvaged materials.

FIRST SUPPLY OF LAMPS. For thousands of new homes and for other houses being served for the first time, we have provided a first supply of lamp bulbs without extra charge.

TROUBLE CALLS. On emergency calls to restore service we were slowed somewhat by transportation difficulties but still answered a majority of these calls within an hour.

HOME SERVICE DEPARTMENT. The advice of our Home Service staff helps customers with rationing, sugar shortages, etc. They provide recipes and information about cooking, canning, special meals for school children, etc., as well as assistance with home lighting.

In war or peace, we try to furnish the best electric service in the world. Always welcome your letters from our customers. Your criticisms and suggestions guide us in making Detroit Edison policy.

THE DETROIT EDISON CO.

Serving more than half the people of Michigan

Lathrup Townsite News

By LILLIAN DIEDERICH

Patricia Blake, daughter of Mr. and Mrs. Edwin Blake, of Ruckham boulevard, with her roommate from Michigan State college, spent last week-end at the Blake residence. Mary hails from Kentucky.

R. E. Kilar, of Saratoga boulevard, is convalescing at home after an operation performed at Grace hospital, Detroit.

Among the bridge tables at St. Michael's Altar society party last week were Mrs. Howard Stock's and Mrs. Herbert Roushko's. Mrs. James Cornell and Mrs. E. B. Sauer were present for the potluck supper only.

At the regular meeting of the Townsite Protective Association held in the Annie Lathrup school addition Monday evening several notables appeared and gave brief talks. They included Congressman George A. Dendero, Republican candidate for sheriff, Edward K. Thomas, State Senator George N. Johnson and Supervisor Lynn Everett. Several changes in the by-laws were submitted by the committee.

The association is sponsoring the fifth Halloween party for the children of the Townsite at 7:30 p. m. Tuesday, Oct. 21. Prizes will be given the funniest costume and the most unique. All children up to high school are invited. Refreshments are included in the fun.

The following homes have been sold by Loren Lathrup the last few weeks: Mr. and Mrs. Gordon Smith, of Bloomfield drive, who are moving to Groesbeck Police section; Mr. and Mrs. Richard Sheridan, of Bungalow drive, who will leave this month to one they purchased on Chicago boulevard, Detroit; Mr. and Mrs. Hughes B. Updegraff, of Glenwood boulevard, sold to W. C. Ahlers, formerly of Lathrup boulevard.

Among the newcomers in the Townsite are: Mr. and Mrs. Al Wilson and daughter, Virginia, 2716 Edgemoor avenue; Mr. and Mrs. Angus O'Brien and small daughters, Jean and Joyce, 18562 San Diego boulevard; Mr. and Mrs. William Hayes, and daughter Dorothy, 27428 Lathrup boulevard; Mr. and Mrs. Fred Watson and daughters, Norma and Joyce, of Lathrup boulevard; Mr. and Mrs. O. Collins, 3441 Glenwood boulevard; Mr. and Mrs. Drayton Holcomb, 28510 Lathrup boulevard; and four children.

Mr. and Mrs. A. D. Stevenson of Ruckham boulevard, returned recently from trout fishing on the Manistee river. The Elmer Gormsen, formerly of the townsite and the Gilbert Adams, of Glenwood boulevard, were their guests.

Mrs. M. L. Kaykendall, of Hollywood boulevard, and Mrs. William R. Waddell, of Ruckham boulevard, met in one of New York's stores, recently—which was quite a surprise. The former had accompanied her husband on a business trip and the latter was visiting Mrs. Charles Cannon (nee Waddell) and Mrs. Don Whitehead, of Jackson Heights, N. Y.

Here Are Ten Good Commandments For Safety of Hunters

Below are listed what are considered by many sportsmen to be ten good commandments for safety of hunters. Birmingham hunters are being urged to study the list and observe the commandments to the letter.

1. Treat every gun with the respect due a loaded gun. This is the cardinal rule of gun safety.
2. Carry only empty guns, taken down or with the action open, into your automobile, camp and home.
3. Always be sure that the barrel and action are clear of obstructions.
4. Always carry your gun so that you can control the direction of the muzzle even if you stumble.
5. Be sure of your target before you pull the trigger.
6. Never point a gun at anything you do not want to shoot.
7. Never leave your gun unattended unless you unload it first.
8. Never climb a tree or a fence with a loaded gun.
9. Never shoot at a cat, bad surface or the surface of water.
10. Do not mix gunpowder and alcohol.

Eugenia Stepowska To Open Dance Class

Eugenia Stepowska, who comes to the Birmingham Community House as teacher of the ballet, will open classes for beginners and advanced students on Friday.

She is available to the student who desires the discriminating advice of a teacher who has had professional experience.

Miss Stepowska started her ballet career at the American School of the Ballet in New York City. Upon her graduation she joined the American Ballet Co. and danced at the Metropolitan Opera house for several seasons. She then joined the Mikhail Baryshnikov Co.

She will be available for enrollment this Friday, Oct. 20, and Friday, Oct. 27, at 4 o'clock in the Community House.
