Proclamation

Liberty and our Country.

The purpose of this annual observance is to focus attention on the United States Navy, the Merchant Marine, the Navy Flyers, and the Marine Corps; to promote an intelligent understanding of the functions of those organizations in peace as well as in wartine, and to give them the Maring and one ourngement which is necessary to promote high purpose.

It seems important this year of war that we at home give them experits one of the property of the pro

Freedom.

Therefore; Let us observe this anniversary and demonstrour devotion to those who have sacrificed themselves and the others who are willing so to do in order that we may again cot peace and the endowment of its blessings. Let us resolve preserve for posterity all that which we hold so dear to harts.

Given this twenty-fourth day of October, nineteen hundred forty-four under my hand and the seal of the City of Birmingham. RAY A. PALMER, Mayor.

Speaking of Vitamins

All Vitamin Products offered by us are guaranteed as to potency and quality.

Pharmacy is one of the oldest of all the learned professions. It-had its beginning more than 4,000 years ago. The modern drug store bears little resemblance to its forbear. The pharmacists chief interest, now as then, is the relief of suffering and the prolongation of life: Prescriptions come first in our drug store. Bring your prescription to us
