May We Knock at Your Door Again?

We've missed calling there lately. The good service in Birmingham that we're so proud of couldn't be carried on when laundry work became a war casualty.

We do hope you missed us. We even dare hope that by now you appreciate us even more than you did when we came so faithfully.

Because now—thanks be—conditions have improved to the point where once again we may make our pick-up and delivery service to our patrons in Birmingham.

WE appreciate all your help and understanding when Long Distance lines are crowded.

We hope you will keep right on saying a cheery "O.K." when the operator asks you to limit your call to 5 minutes. It won't happen every time. Usually, it will be during rush hours on calls to war-busy places.
