THE great interest in our advertisement last week and the fact that various magazines carry articles concerning it, is of interest; however, we have no desire to sell or help buy Americans.

Since most of those with courage have been shipped abroad the few remaining must assert themselves and tell them that the Gestapo stalks only in Europe. Free speech has never helped tyrants or parasites.

We are waiting for your fine furniture, china, paintings, rugs, art objects, antiques, musical instruments.

We restore paintings, musical instruments.
