### Sports Showup

By JOE HARDIG and JOHN FOLEY

Next week will see the Birmingham baseball team hurrying really pouring it on. Coach Heiner has instructed the boys to take it slow so their arms will gradually come into condition. The hitters are going to have to swing fast to hit the offerings of big Bill Buzas, George York, and Wilfred Fricen. Last week when the pitcher lifted a little, Coach Cooper's track men finished their intrasquad meet, and Jim Jensen's team came out victorious. The results of the field events were gratifying. Bill Old, seasonal 140 man, copped the broad jump. Don Buzell leaped well over five feet to nose out Chuck Adams and Jim Jensen. In the shot put, dangling "Spider" Voorhes outthrew such men of bravado as Ray (Indian) Bell, Buckey Zolllein, Pete Good, Dave Wangberg, Jerry Barker, Bill Stroull, and Dave Hasse. Jensen's team clinched the meet in the 880 relay as Jensen, Adams, Boynton, and Sander outspurred Zolllein's men. Zolllein, Green, Quinn, and Spicer in the absence of Joe Plister in the mile will weaken the Maple track team this season. The field events are, well, fortified, and will be considerably bolstered by the return of Tom Woodhouse, who is having trouble with a basketball injury. Each running event has one good man, but the team needs second and third to rank up in a schedule that includes all class A schools.

### Tennis Schedule Opens Wednesday

By BUD GREGORY

The 1945 tennis season will open next Wednesday when the Baldwin tennis team journeys to Grosse Pointe.

The Pointers have one of the most feared teams in the state and defeated Birmingham twice last year. For the past few years Grosse Pointe has been undefeated.

Birmingham, however, is well supplied with veterans and four lettermen are returning. The positions on the team are still undecided. Tom Conkley, Walter Beers, Charles Crawford, Dick Adams, and Bud Gregory are all fighting for the three singles spots. The two doubles teams are even more hotly contested. Dick Halsted, Bob Dochinger, John Bess, Steve Miller, Pete Whitlaw, Dave Balentine, Rusty Davies, Roger Williams, Ted Lard, and Austin Jones are all after doubles positions.

The schedule for the team is composed of teams played last year with the exception of Mt. Clemens. The schedule is: April 18, Grosse Pointe, there; April 24, Cranbrook, there; April 27, Royal Oak, there; May 1, Ferndale, here; May 8, Mt. Clemens, there; May 17, Royal Oak, here; May 22, Cranbrook, there; May 27, Grosse Pointe, here; May 28, Mt. Clemens, here; May 29, Ferndale, there.
