

### Bee Keepers In Study Of Methods

The Oakland County Bee Keepers' Society at its recent meeting at the Community House studied new and approved method of wintering bees and new methods and equipment for all-year use. There were 64 persons attending, representing apiarists in size from two colonies to more than 200 colonies. One apiarist reported having more than 200 colonies through the winter successfully.

It was indicated there are many small apiarists around the edge of Birmingham, all paying a nice dividend.

The point discussed among those attending was that Michigan apiarists apparently like the light honey best.

## Bronze Star For Lt. Col. Robinson

Lt. Col. Loren T. Robinson, former Birmingham resident, arrived home recently from a long tour of duty at Delhi, India, and is visiting his mother, Mrs. W. E. Robinson and other relatives and friends in Detroit and this city.

News came by letter this week that a Bronze Star Medal had been awarded Lt. Col. Robinson before he left India for home. The award was made by Major Gen. George Stratemeyer, air commander of the Allied Eastern Air Command in the India-Burma theater.

The citation details how Lt. Col. Robinson reorganized the public relations section of the Army Air Force in that area and how he handled delicate questions of publicity and news affecting inter-allied accord in a very meritorious manner.

Lt. Col. Robinson was vice-president of Campbell-Ewald company, Detroit, prior to entering the Air Force two and a half years ago. Before going overseas he was stationed at Wright Field, Dayton, Ohio. He has two sons in the service, Cpl. L. T. Robinson, Jr., with the Air Corps somewhere in the Pacific theater, and Lt. (j.g.) William L. Robinson, USNR, who has just returned from a tour of duty in the South Pacific.

### High Twelve Club To Hear Louis Schimmel Of Tax Study Group

The major city manager and entire City Commission will be guests next Monday night at the weekly meeting of the High Twelve Club at the Community Building. The speaker will be Louis Schimmel, secretary of Governor Kelly's study commission.

Mr. Schimmel, who is a former assistant director of Finance of Pontiac, is now the managing director of the Municipal Advisory Council of Michigan. He was an expert witness at the New York port authority case, has appeared before congressional and legislative committees in Washington and Lansing, and recently addressed the Economic Club of Detroit. He is a student and authority on municipal finance.

After the meeting the entire membership of the club will journey to the municipal building to witness the formal commission meeting.

One of the objects of the High Twelve is to inspire and encourage the practice of those virtues which will aid in civic betterment in the upbuilding of the principles of good government. Wanda Fellows will sing, Guy W. Jensen is president of the Birmingham club and Harold R. Chapel is program chairman for the month.

### MEN IN SERVICE

Pfc. Gerard R. Kothe, 1128 Emmons avenue, writes home from the European battle front that there are a few homes inside enemy lines which have not been entirely destroyed.

He writes that his outfit has been living in a house with electric lights and running water, a radio and other modern conveniences.

"The German prisoners," he says, "are largely young kids, but some are 40 to 45 years of age, so you can see what Germany's manpower situation is like. They do have some excellent equipment, I don't see how the war can last much longer, and I think that it will be over no later than July."

### ARMY BACK IN STATES

MIAMI, Fla.—First Lt. Anthony E. Purman, Jr., whose wife and parents, Mr. and Mrs. A. E. Purman, live at 32900 Telegraph road, Birmingham, Mich., has arrived at Miami Army Air Field after a trans-Atlantic flight aboard an Air Transport Command plane flying him home from eight months of war in the Mediterranean theater.

Lt. Purman flew 35 combat missions as pilot of a B-24 Liberator bomber, the "Aggie Jean," against such targets as Vienna, Munich, Ostend and Regensburg. He has received the Distinguished Flying Cross, Air Medal and three Oak Leaf Clusters. One target he vividly recalls, almost brought him something else. Flying a special attack on Nazi targets in Poland in December, 1944, the "Aggie Jean" lost two of her engines, but he managed to make back to friendly territory safely.

### T/Sgt. Gordon Drumheller, son of Mrs. Pearl Phillips, 1228 Ruffner, has been assigned to the AAF Training Command Radio School at Sioux Falls Army Air Field, S.D., following 14 months service in the Asiatic theater of operations.

While overseas, he served as the White gunner and received the Air Medal with five clusters.

Belous Aaron Russell, 18, son of Mr. and Mrs. Tom Russell, 429 Tucker road, is receiving his initial Naval indoctrination at the U. S. Naval Training Center, Great Lakes, Illinois. When his recruit training is completed, the seaman will receive a period of leave.

### Rev. Richard R. Stewart, son of Mr. and Mrs. Roy B. Stewart, 2219 Yorkshire road, has been assigned to the AAF Training Command Radio School at Sioux Falls Army Air Field, Sioux Falls, S. D., for training as a radio operator-mechanic.
