HAVE you included the Golden Rule in your New Year resolutions? It takes in everything. . . .

Vice Adm. T. S. Wilkinson threw new and startling light on the Pearl Harbor investigation when he testified "The Japs were very lucky that they were able to get in and out without detection." That's the first news we've had that the enemy used invisible planes and soundless explosives.

General MacArthur's declaration for a free press clause in all treaties with Axis nations seems a bit radical. We think that if a newspaper isn't worth a few cents it isn't worth reading.

AFL and CIO arguments at the government-sponsored Democratic conference that construction workers are underpaid come as something striking in contrast to the statement of the American Society of Plaster Craftsmen that the construction workers aren't even working.

Michigan was one of the first states to establish state parks. The present park system had its beginning in 1889 when the park on Mackinac Island and Fort Mackinac were transferred to the state from the federal government.

NEW YEAR 1946

'Proclaim liberty throughout the world, unto all the inhabitants thereof.'

In this land of free men the merry tumult of New Year's is a traditional part of our national life. It does us all good to give the New Year a rousing welcome.

More power to New Year's and the principles of freedom upon which it rests. And more power to you, dear friends, every day of 1946! It has been a pleasure and a privilege to have served you, and we stand pledged to serve you still better in the year to come.

NEW Floor Cleaner

Removes Spots, Dirt, Heel Marks Instantly

This amazing new cleaner beautifies and protects wood floors and linoleum. Quick, easy, effective—developed by E. L. Bruce Co., world's largest maker of hardwood floors!

Entirely different, Bruce Floor Cleaner contains no water, soap or abrasives to harm the finest finish. . . . Does the job safely, instantly. Removes the stubborn dirt, stains, unsightly rubber heel marks like magic. Then, its wax base forms a protective coating that really protects, and increases the life and beauty of your wood floors and linoleum.

It's downright dangerous to scrub your wood floors . . . because old-fashioned soap and water methods will raise the grain, darken the wood, discolor the finish—and may even cause rotting or splintering of the floor.

No more drudgery. Bruce Floor Cleaner ends the drudgery of cleaning wood floors and linoleum. All you do is apply it to the floor—and then easily wipe away dirt and stains! That's all there is to it—no hard scrubbing, no tiring effort. Get Quart amazing Bruce Floor Cleaner today—and you'll never scrub again. . . ever! 68c
