**Class Skip Day Sends
Students to Detroit**
The seniors who went on Skip
Day to Detroit last week came
straggling into school Thursday
with sleepy eyes and tales of much
excitement for their envious juni-
ors.
The boys spent their afternoons
at a recreation center while the
girls took in "90 Seconds Over
Tokyo."
In the evening the class attend-
ed "Winged Victory" at the Wil-
son.

**School Choir Records
Two Song Numbers**
Musical history was recorded
last Friday at Baldwin high school
when the choir, directed by Victor
Ulrich, made two recordings of
their voices.
The first selection was "Ballad
for Americans," by John Latoche
and Earl Robinson. Speaking parts
representing Americans were tak-
en by Given Chapman, Bill Scher-
merhorn, Gregory Peck, Bob Er-
win, Harry Wagner, and Donna
Polczynski. "The Lord's Prayer"
was sung next.

**School Students Are
Ready for Next Term**
As the new semester approaches,
Baldwin's guidance department
brings several weeks' planning to
a close.
Students selected desired sub-
jects for the following term; in
many cases consulting guidance
directors, Mrs. Carol Darling and
Larned Goodrich.
Enrollments were largest in
those English and social studies
classes which are required sub-
jects.
Classes offered are the same as
last term with the addition of a
new commercial course in business
laws to be taught by Miss Jacquie-
line Britten.
Last week a total of 660 sched-
ules had been arranged for the
new term to begin Monday, Jan-
uary 29.

The Golden Text (11 Corinthians 13:3)
is—"We can do nothing against the
truth, but for the truth."
Among the Bible citations in this pas-
sage (Psalm 59:1): "Lead me in thy
truth, and teach me, for thou art the
God of my salvation; in thee do I wait
all the day."
Correlative passages to be read from
the Christian Science textbook, "Science
and Health with Key to the Scriptures,"
by Mary Baker Eddy, are the follow-
ing (28:5): "The unvarying of
truth gives full faith A Trunk and
spiritual understanding is better than
all burnt offerings."

HAULING FIREPOWER for FIGHTERS
600 TONS EACH DAY FOR
EACH ARMORED DIVISION

**YOU ARE NEEDED AT
GMC TRUCK & COACH TO
HELP BUILD THE ARMY'S
NO. 1 TRANSPORT TRUCK**
The truck loads of shells in the photo above won't last
many minutes at the rate that American fighters are firing
them! The guns of the Artillery, the tanks and planes that
carry cannon, use up so many rounds of ammunition that
huge stockpiles are depleted almost overnight. The GMC
"six-by-six" military truck, the most numerous transport
vehicle at the fighting fronts, plays an important part in
"passing the ammunition" to the firing line. Because truck
lines are more flexible than any other form of transporta-
tion, the GMC can quickly move the ammunition from docks
to dumps and on to wherever it is needed on the field of
battle. GMC has built nearly half a million military trucks
but the stockpiles of these vehicles have been depleted, too.
It's up to the men in the Pontiac area to pitch in and help re-
plenish them by getting a job at GMC Truck & Coach today!

**GET A WAR JOB
and Stay on the Job**
Victory depends on everyone, every-
day. Lay time puts a brake on Amer-
ica's final drive for Victory. When
you're working for GMC on some other
war job, stay on it every minute—under
any conditions, this is tough—but war
is never easy. Reduce absenteeism and
make time work for us—not the Axis.
