How would you like to put yourself in the shoes of a college president... By GENE ALLEMAN

More significant, however, is the evident fact that high school graduates will go to college in increasing numbers and that this trend will continue many years...

Next consider our building situation. We have had no new school buildings since 1929, more than 15 years ago...

Oh, yes, you drive about the campus and note a number of new fire hydrants...

You Can Hear the Next War Coming

Keep your ears open when you read the next story about buzz bombs striking London, Paris, or Antwerp. Keep your ears open and you will hear the siren wailing...

Don't be deceived by the fact that the robot bomb is not winning this war. It wasn't supposed to. It's in an experimental phase now...

If you're not sure how you would like such a war, glance at the nearest child and consider how it would look a quarter of a century hence...
