"God" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, July 15.

The Golden Text (Psalms 103:19) is: "The Lord hath prepared his throne in the heavens; and his kingdom ruleth over all."

Among the Bible citations is this passage (Isaiah 1:18): "Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool."

Corrolative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following: (115) "The destruction of sin is the divine method of pardon, Divine Life destroys death, Truth destroys error, and Love destroys hate."
