

Mackinac Race Is Almost Halted By Fierce Wind Storm

Those Port Huron to Mackinac yachts and yachtsmen had a rather difficult time of it last Saturday night just out in Lake Huron a short distance when a sudden summer storm caught up with the fleet. Most of the boats were badly damaged and only five were able to continue the race, won by the 56-foot ocean racer Blitzen, owned by Ernie Grates and Murray Knapp.

Lathrup Townsite News

By LILLIAN DIEDERICH

S/Sgt. Clifford Porter, flight test engineer on a P-38 jet prop plane, was married July 3, to Carol Jane Ebersole of Yuba, Calif., where the sergeant has been stationed the last few months. He is a son of James and Mrs. Porter of Delora avenue, and she is the daughter of Captain and Mrs. J. J. Kinghorn of Los Angeles.

Stephen Bloyer, musician 2/d, U. S. Navy, notified his parents last week that he is returning to the States he had arrived by plane from Hawaii and would be stationed at a California hospital, until he is able to come home. He suffered a serious abdominal wound in May, when he was in the Philippines.

Mr. and Mrs. Howard Stock and Mr. and Mrs. Eugene Hines, both of the Townsite, spent last week end visiting friends at Coldwater, Ont. The rain kept them "out of the swim" but cozy around the bridge table.

Mr. and Mrs. William Lindsay, of Chester, W. Va., and Jack Lindsay, a nephew, are visiting Mr. and Mrs. Ralph Stephens of Saratoga boulevard. The Lindsays are Mrs. Stephens' parents.

Pfc. Robert Diederich, flight engineer based at Curtiss air flying field, Buffalo, N. Y., will arrive Detroit Scientist Is Rotary Club Speaker

Dr. L. A. Sweet, Detroit, junior scientific director in chemical research at Park-Davis company, was the speaker at the Monday Rotary club luncheon at Embury Methodist church dining room, bringing the Rotarians up-to-date on the progress of chemical research as it relates to the medicinal world.

The Detroit scientist proved most interesting as he told in simple terms of the new and improved medicines, work of scientists in chemical research, and the importance these new chemicals and medicines are playing in the present world war.
