 When Entertaining are your Table Accessories as Smart as You Are?

Edward Langbein has created some new porch and terrace ensembles that are as smart as tomorrow—ensembles that will dress up your informal supper and cause lots of comment.

This Java-pink is most outstanding and would inspire you to have a coffee snack party at once.

Luncheon plates are Java colored leaves with the stems of pink plastic. Coffee mugs of Java color with pink handles, coffee spoons trimmed in like manner with snack jars to match. To complete the table service are glasses with pink trim, drinking glasses, cocktail or fruit and even coke glasses for the kiddies you entertain. There are muddlers, cheese spreaders and all sorts of things to make this unit so complete.

Stunning also is an ensemble of celadon green with lemon yellow trim, turquoise with bamboo trim, frost white with blue trim and green with red trim.
