Last week I begged in simple prose
Without the least success,
So now I'll call upon the Muse
To help in my distress.

We need a house with bedrooms two
Or, better yet, with three;
Because our folks need eight and six
Need room, and so do we.

Since business makes Detroit the spot
To concentrate our quest,
We're sure that Birmingham is where
Our boys can grow up best.

So please take pity on our plight
And rent us something soon—
We're only asking for a house,
Not yearning for the moon!

NURSES FOR ARMY, NAVY

The American Red Cross between January, 1941, and December, 1944, has recruited 59,271 trained registered nurses for the Army and Navy. That is one reason why American soldiers and sailors are receiving the best medical care in the world.

To continue this recruitment service and carry on all its other activities for servicemen, the American Red Cross needs $200,000,000. This is being raised in March. Let's all contribute.
