Final On Methodist Lecture Series Will Be Presented Tonight

First Methodist Church presents the last in the series of five lectures on Life and Religion tonight at 8 o'clock. Sidney Smith, clinical psychologist at Ionia State Reformatory, will lecture on the theme: "Looking at the home through prison bars."

From a background of professional training centered in education, theology and psychology, Mr. Smith has risen to his present position. He is said to be well fitted to speak on the state of Michigan's program of rehabilitation for those committed to penal institutions.

Since Juvenile authorities insist that someone fails when a criminal is made, Mr. Smith will deal with the fact that most often the home is at fault. The public is invited to the lecture.

Vets Warned To End Powers of Attorney

Birmingham veterans of World War II, along with other veterans, are being warned today to revoke powers of attorney delegated to others before going overseas. The state office of Veterans Affairs states, "These powers of attorney usually gave the designated agent complete power over all property of servicemen. Such agent could mortgage the property, or sell it and pass good title to a third person."

"Everlasting Punishment" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, November 4.
The Golden Text, (Psalms 7:9) is: "Oh, let the wickedness of the wicked come to an end; but establish the just."
Among the Bible citations is this passage (Galatians 6:7,8): "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the spirit, shall of the spirit reap life everlasting."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (419:6): "Better the suffering which awakens mortal mind from its fleshly dream, than the false pleasures which lead to perpetuate this dream. Sin alone brings death, for sin is the only element of destruction."

THIS, we reasoned, is no time to offer folks a car that stops with artful face-lifting.

It has been nearly four years since our last new Buick was built—it wouldn't be shooting square now to give you less than our honor-bright best.

So we overhauled our whole factory to advantage it with the latest in war-developed machines and processes.

We scoured the country for the stoutest metals anyone can buy today.

We set ourselves precisions that in some cases exceed those of aircraft engine production.

And we eagle-eyed every one of this Buick's 12,000 parts to see if it could be bettered in any way, big or little.

The result is that through every stunning inch of this bright new honey runs solid, dependable Buick *character*, honest and uncompromised.

It's in swift clean lines. In seats that are three-persons wide. In stout, time-defying frames and underpinning. Above all — in the lift and life of a Fireball straight-eight that's even livelier than in 1942.

The cars your Buick dealer will have are big. They're beautiful. They're *Buicks*.

In fact — the best Buicks yet!

What other car has so much that clicks for Forty-Six!

POWER—*from a Buick Fireball valve-in-head straight-eight engine that gets peak return from every drop of fuel.*

HIGH STYLE—*of car-length Airfoil fenders with ball-on rear wheel shields.*

OIL SAVINGS—*from non-scuffing Accurate cylinder bores.*

FLASHING ACTION—*of light, lively Flitewright pistons.*

STEADINESS—*from ball-length torque-tube drive in a sealed chassis.*

GLIDING RIDE—*from Panthergait all-coil springing with only a comfort job to do.*

COMFORT—*of soft Foamtex cushions with luxury-type springs.*

SURE FOOTING—*of Broadrim wheels; maximum tire mileage, no keel-over on curves, and better car control.*

CONTROL—*through Permiform steering which eliminates need for frequent adjustments.*

CONVENIENCE—*of high-leverage SirpOn parking brake that sets with a toe-touch and holds fast.*

PROTECTION—*of buttressed front and rear bumpers, curved to shield fenders, built for easy bumper jack.*

SMARTNESS—*of genuine Body by Fisher with one-piece Turret Top, No Draft Ventilation, roomy interiors and three-person seats.*
