Grid Team To Play At Grand Haven

By Hill Bones

In its second annual inter-sectional game, Birmingham will journey to Grand Haven to do battle in a non-league tilt tomorrow night.

This will be the second and necessarily the last game played between these schools as Grand Haven came to Birmingham last year and struggled to a six all tie.

The cross-state rivals are in one of the toughest and most colorful leagues, the Southern Michigan, Muskegon, Muskegon Heights, Kalamazoo Central, Benton Harbor, and Holland comprise the circuit, the first three being among the strongest teams in the state. Thus last Grand Haven's season record stands at one win and five losses, readily understood when they play such schools.

Grand Haven is led by triple-threat full-back Steve Bove, who runs the ends, punches the center, does the passing, averages 50-60 yards on his punts, and is the bulwark of the defense. The running and kicking chore is also shared by veteran John Van Sark.

This Birmingham will uphold a season record of three wins, two ties, and a single loss. The Maples are thus undefeated in league play.
