## Forever

"BEAUTY" There's something more than just words in the phrase, "A Thing of Beauty is a Joy Forever." It is immensely significant that beauty is so largely responsible for our happiness; and that we react so naturally and favorably to a striking sunset, colorful flowers, or the blending of blugs in the sky and lake of a water-scape. In choosing things for our homes, too, it is important to possess things of beauty, that they may truly be "A Joy Forever."
